## On-line Congregational Bulletin Board

The congregational bulletin board is a place for members of CVC to post announcements, news, events, and items for sale/or needed, that they would like to share with the wider congregation. The purpose is to provide a forum for non-church related information that members feel may be beneficial and helpful for the rest of the congregation.

Disclaimer: The CVC Bulletin Board is provided for members to freely share information. Therefore, notices shared herein – i.e., the events, announcements, news, and items for sale/needed – are not sponsored, or necessarily recommended, by the church. The express purpose is for individual members to share information as an exercise of their Christian freedom.
